Student Record Release Authorization

The following is used by the Independent Study High School (ISHS) to authorize the release of student grades and transcripts.

UNL Independent Study high School policy governing release of student educational records requires that written permission be given by the student as well as by the parent/legal guardian for students under age 18. However, ISHS will, without prior consent, release student transcripts to a requesting high school if the student is enrolled in or transferring to the requesting school. (By signing this section, a transcript will not automatically be produced. A transcript request will still need to occur.)

I authorize ISHS to release _____
